

# ICON FM T

## Take a stand for some sweet attention

### A stable floorstand for small and medium displays

Meet the updated version of an Icon stand.

The Icon FM T is a neat, clean floor stand that stands on stable feet for small and medium sized displays. The X-shaped foot is both sleek and functional and goes through the complete Icon FM & FH range for a uniform look.

It is a sturdy carrier of screens up to 50" and 25 kg and can carry up to two screens on the same side of the pillar. The Icon FM T can also feature practical and attractive shelving available in different styles and designs.

The screen can also be tilted. This is a really elegant way to present your screen. Available in different lengths and in two colors, aluminum/silver or black.
